

The image displays a 20x20 grid of 400 colored squares. Each square contains a white arrow pointing in one of the four cardinal directions (up, down, left, right). The arrows are distributed across the grid in a complex, non-uniform pattern, with some squares containing multiple arrows or no arrows at all. The colors of the squares vary, including shades of blue, green, yellow, orange, red, and purple, creating a vibrant and abstract visual effect.
